

# Joyful 12 Supermarket Scavenger Hunt

Let's explore the veggie and fruit section of the supermarket!

- Your Explorer Tools:**
- Your eyes to look for treasure
  - Your nose to find the sweetest jewels
  - Your hands to discover the best veggies

## Your Mission:

Your mission has four parts. Choose all four or tackle one each time you adventure into your neighborhood grocery store!

### 1 EAT THE RAINBOW

Find at least 1 fruit or vegetable in each of these color categories that you would like to try. Find out the name of that fruit or vegetable and write it down:

Red:

Orange:

Purple:

Yellow:

Green:

### 2 THE FUNNIEST

Use your explorer eyes to spot the most ugly or strange fruit or veggie you've ever seen. Draw it and give it a new name!

### 3 HUG A FARMER

find at least one fruit and one vegetable that a local farmer grew. Look for words like "local" on the produce signs. Give that produce a gentle hug. Maybe you want to try this cool produce a farmer grew locally with love.

### 4 BODY PARTS

Identify a vegetable or fruit whose shape reminds you of a body part! How about a round head, or a brain, or maybe long straight arms and legs? Note what you find on your exploration here:
